

Another Christmas Without You

I wonder if you wonder about me
do you think of me anymore
the snow won't stop
another year has gone
I won't see you anymore

but I've been thinkin' about you again
wondering how you've been
another Christmas without you my friend
I've been thinkin' about you all day
your face never goes away
another Christmas without my sweet lady

I see you now like you used to be
do you think of me that way
the caroler's songs seem sad and wrong
on this melancholy Christmas day

and I've been thinkin about you again
wondering how you've been
another Christmas without you my friend
I've been thinkin' about you all day
your face never goes away
another Christmas without my sweet lady

but I'm not with you
and I won't be soon
but I've been thinkin' about you
and I'll be singin' about you
on Christmas day

I've been thinkin' about you again
wondering how you've been
another Christmas without you my friend
I've been thinkin' about you all day
your face never goes away
another Christmas without my sweet lady

Merry Christmas baby
Merry Christmas my dear
Merry Christmas, maybe
I will see you next year
