

First Day

This is the first day
of the rest of my life
this is a new day
free from yesterday's strife
I'm gonna make every second matter
I'm gonna climb every hill and ladder
I'm gonna celebrate this day
for the rest of my days and nights
cuz this is the first day
of the rest of my life

This is a fine day
to claim as mine
this is a grand day
to leave the bland behind
I'm gonna make these changes last
by leaving anguish in the past
I'm gonna cleanse this rhyme
by bathing in the warmth I find
cuz this is a new day
I'm gonna let it shine

This is a new way
to part from the old ways
to learn that all that remains,
when yesterday fades away,
is today

This is the first day
of the rest of my life
this is the next page
I'm gonna make it right
It's finally falling into place
like a journey to a space
that I've seen before
but never had the will to stay
cuz this is the first day
of the rest of my days
this is the first day
and it's a wondrous sight
this is the first day
of the rest of my life
