

Morning Dove

I'm gonna take you home
to the place I love
you'll never be alone
my love

Nevermore, will I ever roam
from the girl I love
I'm gonna build our home
back in Morning Dove

Morning Dove
Morning Dove

I'm gonna build our home
under the sounds of the birds in the trees above
after the seeds are sewn
we'll grow
in Morning Dove

My love
My Love
Morning Dove
