

Sunny Life

sunny
sunny side
honey
I'll take it light
sunny
I'm walking on the sunny side
with the sunny
life on my side

sunny
sunny side
sunny
I'll take the light
funny
I'm surfin' on a honey tide
with the sunny
life on my side

sunny
sunny side
honey
I'll take it light
sunny
I'm walking on the sunny side
with the sunny
life on my side
with the sunny
life on my side
with the sunny
life on my side
