

## Up To You

So, your dream is on the ground  
resolution all around you  
in all your searching this you've found  
it's all up to you

Even though it's hard to see  
and what you seek is never free  
this is all you'll ever be  
and it's all up to you

And all the while the world is  
spinning, turning you around  
'cause every lofty thought you've  
ever flown has come crashing down around you

Now it's right before your eyes  
the remnants of your former lives  
a gasp of hope, you realize  
it's all up to you

So, your dream is on the ground  
resolution all around you  
in all your searching, this you've found  
it's all up to you

And even though it's hard to see  
and what you seek is never free  
this is all you'll ever be  
and it's all up to you

It's all up to you  
It's all up to you  
It's all up to you  
It's all up to you
